General Information

TIME—Thursday, March 15, 1973. Show will start at 9:30 a.m. Sale will start at 12:30 p.m.

LOCATION—The show and sale will be held at the completely modern Bradley Sale Pavilion. It is located just south of Highway No. 34 one mile west of the junction of Highway No. 34 and No. 48. It is an ideal set-up for both consignors and buyers.

LUNCH ROOM—Delicious home-cooked food is available at the lunch room in connection with the Bradley Sale Pavilion.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the sale. All stock will be buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with the instruction from the purchaser.

GUARANTEE—Cattle sold in this sale are sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Association and printed in this catalog.

THE ABOVE GUARANTEE AND TERMS shall constitute a contract between only the consignor and buyer of each lot. Neither the sale manager, officers and directors of the Southwest Iowa Shorthorn Association, nor the clerk of the sale assumes any liability, legal or otherwise.

MAIL BIDS—Those wishing to buy at this sale and who cannot attend in person may send their bids to Arch Stone care of the Sale Manager, Arthur H. Windom, Villisca, Iowa 50864, who will see that they are delivered to the party entrusted with your order.

SAFETY—Although every precaution will be exercised to promote the safety and comfort of the guests, neither the Southwest Iowa Shorthorn Association or any of its officers or directors, auctioneer, fieldmen, clerks, the sale manager or the barn management will assume any liability for accidents.

Standard Guarantee

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

BERN-A-DALE LANCER—Is a white bull with a lot of height, length and is extremely clean about his lines. He is probably one of the trimmest bulls we have produced. Augusta 228th is one of our foundation polled cows and Lancer is her first calf. This bull will probably have a lot of polled calves with all the polled cattle in his pedigree.

BERN-A-DALE PLANET—Is a polled bull that I felt we should keep for our herd but our numbers do not justify having three bulls. Whatever you need in a herd bull, this calf will fill the bill. He is tall, long, clean, smooth and has tremendous feet and legs under him. These cattle, originating from Ed White's herd, are large cattle.
